

OUR LADY OF THE LAKE COLLEGE
7434 Perkins Road, Baton Rouge, Louisiana 70808

GRADUATE PROGRAM APPLICATION INSTRUCTIONS

There are three graduate programs at Our Lady of the Lake College: the Master of Science Degree in Nursing, the Master of Science Degree in Nurse Anesthesia, and the Master of Medical Science Degree (Physician Associate). The Master of Science Degree in Nursing and the Master of Science Degree in Nurse Anesthesia are in the School of Nursing, and the Master of Medical Science Degree (Physician Associate) is in the School of Health Sciences and Department of Physician Associate Studies, respectively.

Your application will be acted upon when all required information and documentation is received in the Admissions Office. Partially completed applications will not be processed.

To be considered for enrollment in graduate courses offered by Our Lady of the Lake College, the following information is required:

- I. A completed application for admission and the \$50.00 non-refundable application fee
- II. Official transcripts/GRE test scores
 - A. Official Transcripts
 - MSN Applicants - Provide official transcripts of all previous academic work attempted *beyond* high school. Transfer credit posted on records of other institutions is unacceptable.
 - MS in Nurse Anesthesia Applicants—Provide official transcripts of all previous academic work *beyond* high school. Transfer credit posted on records of other institutions is unacceptable.
 - PA Applicants – Provide official transcripts of all previous academic work attempted *including* high school. Transfer credit posted on records of other institutions is unacceptable.
 - B. GRE Test Scores

The GRE must have been taken within five years prior to the application date.
- III. Graduate Program Reference Forms

Three references are required to complete the application.
- IV. Completed Proof of Immunization Compliance form
- V. Proof of Licensure (*MSN and Nurse Anesthesia Applicants Only*)

Applicants whose credentials meet all the requirements for a selective graduate program can be admitted to the core graduate program as a non-matriculating graduate student. Admission to the core graduate program does not guarantee admission into a selective graduate program. Non-matriculating students can take a maximum of 9 credit hours of the core graduate courses.

TUITION AND FEES SCHEDULE (SEE ENCLOSED DOCUMENT)

TEXTBOOKS:

Textbooks are available for purchase from the Chimes Medical Bookstore (currently located on campus).

IMMUNIZATION POLICY:
