

## A Message from the Alumni Association President

Fellow OLOL College Alumni,

On behalf of the Our Lady of the Lake College Alumni Association, I would like to extend my congratulations to you on all of your accomplishments. Additionally, I wish you the best on the next leg of your journey, whether that involves furthering your education or planning and implementing yet another goal. Whatever your next step, you can count on the support of the Our Lady of the Lake College Alumni Association.

When I speak about Our Lady of the Lake College and the Alumni Association in public, I am reminded that OLOL College doesn't have a large alumni base in terms of sheer numbers – we have a huge group of passionate, loyal and committed OLOL College Alumnus. When I speak one-on-one with OLOL College alumni, I hear several phrases again and again:

- “I'm proud to have received my degree from Our Lady of the Lake College.”
- “My family's legacy with OLOL College goes back multiple generations.”
- “During my time as a student, I grew not only intellectually but also spiritually and practice both in my daily life.”

The Alumni Association does not merely promote relations with our campus; it is also a professional and social resource, which celebrates the successes of our diverse alumni. With understanding of shared needs and goals, the association aims to reestablish and nurture unique relationships that can only be created on our campus. Our goal-driven Alumni Association board has committed to this charge and is providing opportunities to strengthen ties to one another and to our alma mater. You can play a crucial role in helping us translate our incredible alumni loyalty into increased Our Lady of the Lake College Alumni Association participation.

For years I've heard our school referred to as “the best-kept secret.” Revealing “the best-kept secret” requires nothing more than small but vital changes in our daily lives. We are in the position where anytime we are in the public and someone asks you, “Where did you go to school?” you must proudly say “I am an Our Lady of the Lake College graduate.” The more we get our college's name out in the community, the more of a return our college community will receive in the future.

Begin this journey now! Stay in touch on the Alumni pages of Facebook and the College website. Contribute your stories to the *Ethos* newsletter and read about those of other alums. Attend an event to renew friendships and make new contacts. We encourage you to utilize these networks to make a connection.

Sincerely,

W. Chandler LeBoeuf  
Our Lady of the Lake College Alumni Association President
