

OUR LADY OF THE LAKE COLLEGE

Long-Term Institutional Goals

1. Incorporate the Franciscan values of service, reverence and love for all life, joyfulness of spirit, humility, and justice and the spirit of Ex Corde Ecclesiae into all facets of the educational process and functions of the College.
2. Provide programs of study, particularly in the health sciences, that contribute to fulfilling societal needs.
3. Emphasize academic excellence in programs and degrees.
4. Cultivate a student-centered environment that promotes a holistic approach to student growth and development.
5. Enhance knowledge and thinking in support of further study and advanced education in the health sciences, as well as in the pursuit of life-long learning.
6. Foster an engaged community of civic-minded scholars that encourages a culture of social responsibility and service.
7. Cultivate, among all campus constituents, a desire to understand, a capacity for tolerance, and an ability to appreciate the ethnic and cultural diversity that make up humanity.
8. Optimize the resources of the College.
9. Expand the scale and scope of the programs and the communities the College serves.
