\*These Arts and Sciences Courses may be taken prior to gaining admission to the PN Program.

**Our Lady of the Lake College values diversity and recognizes the impact of life experiences in setting education goals. Information about the individuality of the applicant will be considered by the Admission Committee as well as past academic performance. The college may also consider program demand and availability of clinical resources when making admission decisions.**

*See reverse side for information on fees, financial aid and other items of interest.*
