As the program develops, additional courses in Complementary Therapies will be added. Students may earn a diploma in Complementary Therapies upon completion of these additional courses.

Our Lady of the Lake College values diversity and recognizes the impact of life experiences in setting educational goals. Information about the individuality of the applicant will be considered by the Admissions Committee as well as past academic performance. The college may also consider program demand and availability of clinical resources when making admission decisions.

Admission Requirements: High School GPA of 2.0 or GED score of 50 or better, TABE scores of 11.0 for reading, language & 10.5 for math*; transcripts from any prior college work completed, and completed letter of application (attached) describing the students unique attributes and reasons for seeking this educational program. Health and Safety requirements must be met before classes begin (physical exam, immunizations, TB skin test, and drug screen).

*TABE Survey given at the Christa McAuliffe Center, 12000 Goodwood Blvd, BRLA, call 226-7631 for information.

Submit completed application and all required materials to:

**LOLC Health Career Institute
5220 Essen Lane
Baton Rouge, LA 70809**
