Baton Rouge, LA - Our Lady of the Lake College is pleased to announce the addition of three new members to its Board of Trustees: Redfield Bryan, M.D. a special projects consultant for the FMOL Health System; Thomas B. Flynn, M.D., F.A.C.S. who has served the Baton Rouge community as a neurosurgeon and founder of The NeuroMedical Center Clinic; and Sister Vernola Ann Lyons, o.s.f., representative of the Franciscan Missionaries of Our Lady.

The new members joined the Board of Trustees at its first meeting of 2011 on February 11th. "It is our great pleasure to welcome these new members to our Board," states College President Sandra S. Harper, Ph.D. "Our Lady of the Lake College will greatly benefit from their ideas and insights as we expand our programs to meet future needs in healthcare."

The new members join Board Chairman Steve Nathanson, M.S., CEO of Genesis Energy, and a distinguished list of 17 prominent business, academic and healthcare leaders on the College Board of Trustees.

"The College is at the pinnacle of quality in healthcare education," explains Mr. Nathanson. "We are nationally recognized as setting the bar for standards in several academic programs, as well as our commitment to the community in terms of service and volunteerism. Our job as Trustees is to converge our resources and those of the Baton Rouge area with the institutional vision of building one of the great Catholic colleges in the South."

Offering master's, baccalaureate, and associate degrees, Our Lady of the Lake College is a four-year, independent institution, providing a strong foundation in the liberal arts and continuing its highly-regarded health sciences and nursing programs.
