## Batman visits The Children's Miracle Network At Our Lady Of The Lake Regional Medical Center

Halloween is an exciting holiday for children, next to Christmas of course. Unfortunately, not all children were able to participate in Halloween festivities this year. This was the case for the many children who were residents of the Children's Miracle Network at Our Lady of the Lake Regional Medical Center. In an effort to brighten their day and lift their spirits, members of Surgical Technology Student Organization, (SAST) devised a plan.

Aware that the children would not be able to participate in traditional trick or treat or halleluiah night activities, the members delivered their own version of a "Super" treat. A superhero, that is.

On Tuesday October 28th OLOLC SAST hosted a Trick-or-Treat event at the Children's Miracle Network at OLOLRMC. The children were eager to have visitors and receive a special candy treat. They were even more excited that "Batman" came to visit each and every one of the children in the hospital. SAST President, Casey Littlejohn; SAST Vice President Brock Holtzclaw (BATMAN) and Active SAST Member Matthew Cook participated in the event.

### The Adventures of Batman at the Children's Miracle Network

Some kids where happy to see Batman.....

Others weren't so happy.....

And some....were "Kids" at heart!!!

## FALL Job Fair A Great Success!!!

The Fall 2008 OLOLC Job Fair was a great success! We had a very good student turnout, 118+, and 36 employers participated. Many of the employers donated door prizes and we

**Student Ambassadors assist with the job fair set-up**

are in the process of distributing these to 14 lucky students (everything from home music system, iPod nano, flash drive, Target gift card, Uniforms by Bayou gift card, Saints blanket, jewelry case, Covey day planner, blankets with a handle, lunch bags, cups, t-shirts, caps and more). The student participation is what made this

such a great job fair – the employers would not continue to participate if we did not have such a great group of students.

We hope that each student came away with valuable information about their future career options and some targeted employers with whom to begin their job search. Thank you, also, to the faculty members who encouraged and allowed students to attend – it makes all the difference in the world to the success of the job fair.

I want to give special thanks to several people: Karen Goodridge and the Student Ambassadors who gave their time and energy to help make this event possible. Not only did they register students and lend assistance to the employers, but they moved tables and chairs to set up the Job Fair, then, had to move them back into place after the Job Fair! This event would not have been possible without the help of these student leaders – Jennifer Alamis, Kati Cashio, Tabatha Hebert, Jenna LeBlanc, Nicholas LeCoq, Stacy Luce, Hope Morgan, Christi Villar (SA chairperson for this event), and

Randy York. Also, thanks to Dr. Phyllis Simpson for her support and encouragement for the Job Fair.

Each semester I strive to improve the Job Fair and always welcome any suggestions you may have. If you have any employers you would like to see participate in our job fair, please e-mail or call me and I will make every effort to get them to attend next semester.

Remember, any student needing assistance with resume writing, interview preparation, cover letters or other job search strategies, call or e-mail me to set up an appointment. My e-mail address is [swalke02@ololcollege.edu](mailto:swalke02@ololcollege.edu) and phone #768-0813.

This job fair is just one of the services provided to you by your Office of Student Support Services.

# FOR BRAGS!!!!

## 40 years of Service!!!

*Congratulations Ann Lauret*

Ann Lauret is currently a Surgical Technology Instructor at Our Lady of the Lake College. However over the past years she has provided over 40 years of service to the FMOL System. Hat's off to you and your accomplishments!!!!

- ♦ 1966 began at Our Lady of the Lake
- ♦ 1968 returned to OR department at Our Lady of the Lake until 1989
- ♦ Started a Surgical Technology Program for the hospital, which moved to the OLOL School of Nursing in 1991
- ♦ 23 years at Our Lady of the Lake
- ♦ 17 years at Our Lady of the Lake College

### *Congratulations Shameka Lewis*

We are so proud of Shameka! She has been appointed Region 3 Director for the LASN, which is the Louisiana Association for Student Nurses. This is a very important position...again Congrats!!!

Submitted by:  
Keeley Clark Dupuy

### **Colleagues Please Congratulate James "Bo" Altazan**

Please congratulate James "Bo" Altazan as he assumes the position of Interim Director of the Physician Associate program with the departure of Ms. Elaine Grant. Bo has taken on a challenging role, but I am confident in his ability to lead the PA program in to even greater heights of achievement. I am sure he and the other wonderful PA faculty and staff will welcome your prayers and support.

Instructor, School of Nursing

### **CONGRATS....RADIOLOGY TECH STUDENTS**

The week of November 2<sup>nd</sup> – 8<sup>th</sup> was National Radiologic Technology Week. It is celebrated annually to recognize the vital work of radiologic technologists across the nation. The celebration takes place each November to commemorate the anniversary of the discovery of x-ray by Wilhelm Conrad Roentgen on Nov. 8, 1895. The attached picture includes students from the Radiologic Technology Program at a luncheon that was held on Thursday November 6<sup>th</sup>. The class of 2007 – 2009 and the class of 2008 – 2010 along with instructors are included.

### **Congratulations to Tiffany D. Magee**

Tiffany D. Magee, Director of Financial Aid, chaired the Louisiana Association of Student Financial Aid Administrators (LASFAA) Fall 2008 Conference that was held here in Baton Rouge, October 8-10. This year's conference theme was *Dazzling Into a New Era of Accountability*. There were over 200 financial aid administrators that attended the conference.

## SAST attends the Annual Louisiana Surg-Tech Workshop

October 25th, 2008 , SAST went to the Annual Louisiana Surgical Technology Workshop at Delgado College in New Orleans. Six different surgeons were there to have lectures on different surgeries and procedures.

The SAST sold T-shirts and did a 50/50 raffle.

The club raised enough money to add to their funds to have every member's certification test paid for in full.

We also participated in the First Annual T-Shirt Competition and Won a certificate of participation.

## SGA STUDENT FORUM

On October 16, 2008, a very successful SGA Student Forum was held in the Administration Building Conference Hall. Questions from OLOLC students were presented by SGA President, Kristi Tortorich, to the 11 panel members. The panel consisted of Sandra Harper, David England, Denise Rogers, Tracy Molidor, Frank Sewell, Carol Waters, Rebecca Cannon, Travis Dudley, Francine Thomas, Tiffany Magee and William Wilkes. Questions from students concerning the various areas covered by the panel members were addressed for almost two hours.

Among the 47 interesting items covered, topics such as new building plans for the future, the new marketing campaign, the addition of new computers in the Library Commons, the number of new full-time faculty members on Campus, the new and improved advising plans for both schools, the new registration deposit, Financial Aid Awareness plans for February 2009, improved numbers for library usage, the Higher Education Reauthorization Act that will begin July 1, 2010, end-of-the semester course evaluations, and safety plans for each building. For snippets of information regarding any of the topics discussed, you are welcome to email SGA at [sga@lolcollege.edu](mailto:sga@lolcollege.edu) for copies.

Students, faculty, and staff now have access to over 17,000 electronic books (eBooks), through Our Lady of the Lake College Library. This collection is available through the Library homepage at <http://www.ololcollege.edu/LRC/LRC.htm> and select "Electronic Book Collection." \*

## Medical Terminology Demystified: A Self-Teaching Guide

by Dr. Dale Pierre Layman

In *Medical Terminology Demystified*, Dr. Dale Layman -- a multi-award-winning educator -- gives you a fast, easy, and practical way to learn the terms medical professionals use to describe and deal with disease and injury, surgical techniques, drugs and other therapies, and more.

*Medical Terminology Demystified* offers a combination of learning tools. Work at your own pace with in-depth medical information described in easy-to-understand language, helpful icons, and hundreds of topic-clarifying illustrations. Fill-in-the-blank and exam questions and answers provide quick and handy learning "check-ups" so you can measure your progress.

If you want to achieve mastery of the medical field's concepts and defining terminology, here's the self-teaching course that does the job fast. Get ready to:

- Learn all the proper terms used in the context of diagnosis...anesthesia and surgery...microbiology and infectious diseases...therapeutics
- Acquire everyday familiarity with formal medical terminology related to the cell and lymphatic systems; skeletal and muscular systems; heart and blood vessels; respiratory system; glands and skin; neurologic and psychiatric disorders; eyes and ears; the digestive tract; the urogenital system
- Understand and be able to use with confidence terms associated with fertilization, pregnancy, and birth
- Take a "final exam" and grade it yourself!

### \* To access the NetLibrary book collection:

1. If you are on campus you do not have to log in. Go to the College Library homepage and click on "Electronic Books." From here you can search our eBook collection (through NetLibrary).

2. To access from off-campus, you will need to create a free account. This account must be created from on campus. To create the account:

- Click on "Electronic Books" from the College Library homepage.
  - Click on "Create a Free Account" in the upper right hand corner.
  - Once you have done this, you can access from off campus.
3. If you have any questions, call the library and ask for help!
- Phone: 225-768-1730
  - Email: [library@ololcollege.edu](mailto:library@ololcollege.edu)

### Heart light Daily Verse

#### Ephesians 1:9-10

He made known to us the mystery of his will according to his good pleasure, which he purposed in Christ, to be put into effect when the times will have reached their fulfillment - to bring all things in heaven and on earth together under one head, even Christ.

#### Thoughts on today's verse

Jesus is Lord! God's plan was purposed in Christ. It centered on Christ coming at the right time. God's plan was to bring unity in Christ by making him Lord of all! What's more, this plan that brings our salvation brings God great pleasure. God is the only saving God and Jesus is both our Savior and Lord. So the real issue we face today is this: What area of our lives, our hearts, our secrets, our sin, our rebellion, have we not submitted to his lordship?

#### Prayer:

*O Precious Father, I know my heart can be deceitful. At times I can even fool myself. But when I kneel in your presence and am convicted by your Word, I find myself reminded of the areas I have not yet fully submitted to your control and Jesus' lordship. Please, dear Father, use the Holy Spirit to gently show and convict of my self-deception so that I may be wholly lost in your will. Through Jesus, Lord of lords, I pray. Amen*

## Cross Wise

There are no clue numbers in the grid. Use your powers of deduction to put the right words in the correct positions in the grid. All the O's have already been filled in.

1. One of the two horizontal 7-letter words is sandy areas by the sea and the other is a small bird.
2. One of the two vertical 7-letter words is a large spotted animal and the other is a month of the year.
3. One of the 5-letter words is between second and fourth and the other is a pirate's treasure box.
4. The 4-letter words are piece of metal money; capital of Norway; close by; small horse.
5. The two 3-letter words on the left are take food and drinking container.
6. The two 3-letter words on the right are finish and more than one but less than three.
